## RELAXATION & RECREATION

Pick your pleasures on Florida's north Gulf coast: a daily palette of white sand, emerald surf, and blue sky; the phenomenon of Walton County's coastal dune lakes; river paddling trails that wind through pine forests; and living history, including Native American and colonial settlements, Civil War batteries, and scenic highways.

### NORTHWEST PLAYLIST

#### UNDERGROUND WONDER

Fifty-five feet beneath the Florida Caverns State Park forest is a geological showroom. Limestone stalactites (remember "c" for ceiling) hang from above. Stalagmites ("g" for ground) rise from the floor.

#### NATURE'S PLAYGROUND

Grayton Beach State Park is a lure for hikers and bikers, paddlers, and anglers. Drop a blanket on one of America's best beaches. Wander the nature trail through a coastal forest.

#### ISLAND HIDEAWAY

The lighthouse on St. George Island is one of five on the Forgotten Coast. The 22-mile beach is a 90-minute drive from Tallahassee.
